LISTEN TO THE VOICE OF TRUTH AND REASON AND PROFIT BY IT.

The time has come that all who will can escape the iron grasp of Mercury, by calling, without delay, to see the well known and justly celebrated Eclectic European Physician, DR. BORT, who will administer those only true and safe medicines, extracted from the most choice Roots and Herbs, which are prepared under his own super-vision, and therefore avoiding the use of all Min-ERAL POISONS, which were never designed for the system, to take which many thousand have fallen victims and gone to early graves.

THINGS TO BE REMEMBERED. Remember that Dr. Bort wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred physician, from a paltry, unlearned and trifling

AYER'S Sarsaparilla FOR PURIFYING THE BLOOD

And for the speedy cure of the following complaints Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases. J. C. Aven & Co. Gents: I feel it my duty to at-knowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection. I have suffered

from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two turned inward and distressed me at the stomach. Two, years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and leafteenes beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cared me. I took it, as you advise, in small doses of a teaspoonful over a it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I am saying when I tell you that I am saying the man it is the control of the same you, that I hold you to be one of the apostles of the acount remain ever gratefully. Channing, of New York City, writes; " most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Panale Disease of the Scrofulous disthesis. I have cured many inveterate cases of Leucorrhoes by it, and some where the complaint was caused by ulceration of the uterur. The ulcer ation itself was soon cured. Nothing within my knowl

edge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dar gerous ovarian tumor on one of the females is my family which had defied all the remedies we could employ, is at length been completely cured by your Extract of Sar-saparilla. Our physician thought nothing but extinga-tion could afford relief, but he advised the trial of year Sarsaparilla as the last resort before cutting, and

proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Syphilis and Mercurial Disease. Dr. J. C. ATER: Sir, I cheerfully comply with the quest of your agent, and report to you some of the class I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the ex-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and the curial Disease. One of my patients had Syphilitic ulors in his throat, which were consuming his palate and the top of his month. Your Sarsaparilla, steadily taken cured him in five weeks. Another was attacked by sec ondary symptoms in his nose, and the discretion had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it disorder would soon reach his brain and ker appropriate yielded to my administration of your Sarsaparilia; the ulcers healed, and he is well again, not of course without ulcers healed, and he is well again, not of course without ulcers healed, and he is well again, not of course without ulcers healed, and he is well again, not of course without ulcers healed, and he is well again, not of course without ulcers healed, and he is well again, not of course without ulcers healed. ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, teo, was cured entirely by your Sarsaparilla in a few weeks. I know from its formuls, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. B.

Rheumatism, Gout, Liver Complaint INDEPENDENCE, Preston Co., Va., 6th July, 1859.
Dr. J. C. ATER: Sir, I have been affilicted with a sale-ful chronic Rheumatism for a long time, which haffles the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Saroaparilla. On bottle cured me in two weeks, and restored my general health so much that I am far better than before I wa

attacked. I think it a wonderful medicine. J. FREAM Jules Y. Getchell, of St. Louis, writes: "I have lost afflicted for years with an affection of the Lice, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down to for some years from no other cause than decomposite the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blod as to make a new man of me. I feel young again. The best that can be said of you is not half good enough.

Schirrus, Cancer Tumors, Enlargement Ulceration, Caries and Exfoliation of A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stanslates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond it reach. Such a remedy has long been required by the recessities of the people, and we are confident that this will do for them all that medicine can do.
